

Work in a hotel,  
restaurant, or casino

# HOSPITALITY (HOTEL) TRAINING PROGRAM

People who graduate from IINE's "HTP" program work at the area's best hotels, including: Encore Boston Harbor Casino, Fairmont Copley Plaza, InterContinental Hotel, The Charles Hotel, The Ritz Carlton Hotel, Omni Parker House, Marriotts, Sheratons, and others!

IINE's 6-week program prepares students for jobs in the hospitality industry and focuses on helping students with the skills and knowledge they need to launch careers in the hotel and restaurant industry.

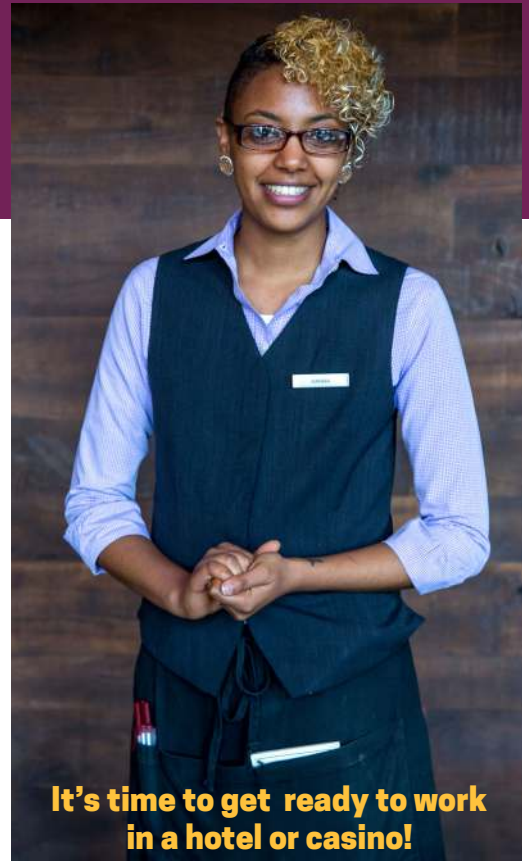

The curriculum has five modules: Industry-Specific Skills Training, English for the Hospitality Industry, Customer Service, Work Readiness, and Computer Literacy delivered in a supportive classroom setting.

Then, in the program's final two weeks, participants job-shadow employees at one of our partner hotels, gaining hands-on skills and practice as well as an opportunity to network and meet people in the industry.

**6-week  
program**

At the end of the course, staff work with each participant to find a first job in a hotel or casino.

You must have U.S. work experience and valid U.S. Work Authorization in order to apply.

**It's time to get ready to work  
in a hotel or casino!**

We can help you prepare for a job at one of New England's world-class hospitals!

IINE's 6-week program includes five modules: Industry-Specific Skills Training, English for the Healthcare Industry, Customer Service, Work Readiness, and Computer Literacy.

This program provides students with key skills needed to succeed in entry-level jobs in hospitals, such as: Food Service, Patient Services, and Environmental Services (Housekeeping).

Students have the opportunity to explore different aspects of those departments and leave the course with real-life skills they can use to prepare for the next step in their careers.

Students must have U.S. work experience and U.S. Work Authorization in order to apply.

Our students now work at: Beth Israel Deaconess Medical Center, Boston Children's Hospital, Boston Medical Center, Brigham and Women's Hospital, Franciscan Children's Hospital, Massachusetts Eye and Ear, New England Baptist Hospital, and Tufts Medical Center, among others.
