Free Certified Nursing Assistant Program

This 200-hour course, funded by the Massachusetts Dept. of Elementary & Secondary Education, is designed especially for English Language Learners seeking a career in the healthcare field.

The course includes class topics: English for Employment in Healthcare, skills development, and job readiness preparation.

Students will participate in clinical training: a 100-hour Certified Nursing Aide (CNA) module conducted by instructors from Middlesex Community College.

Finally, students will prepare for the CNA licensing exam. Those who are successful will be offered a position at D’Youville Life & Wellness Community.

Students must have U.S. Work Authorization in order to apply, and must pass a basic English language screening to enroll in the class.

Classes begin soon in Lowell. Registration is limited.
