

Free Certified Nursing Assistant Program

This course is funded by the Massachusetts Dept. of Elementary & Secondary Education, is designed especially for English Language Learners seeking a career in the healthcare field.

The course includes class topics: English for Employment in Healthcare, skills development, and job readiness preparation.

Students will participate in clinical training: a 100-hour Certified Nursing Aide (CNA) module conducted by instructors from Middlesex Community College.

Finally, students will prepare for the CNA licensing exam.

Students must have U.S. Work Authorization in order to apply, and must pass a basic English language screening to enroll in the class.

Coursework will be online with in-person clinical training.

Registration is limited.
