OUR MISSION

The International Institute of New England (IINE) creates opportunities for refugees and immigrants to succeed through resettlement, education, career advancement and pathways to citizenship.

OUR HISTORY

Founded in 1918 in Lowell, Massachusetts as a community effort to welcome new Americans immigrating to the area, IINE today serves more than 3,000 refugees and immigrants annually, with programs in Boston, Lowell, and Manchester, NH.

OUR PROGRAMS

Refugee Resettlement

IINE helps newly arrived refugees, special immigrant visa holders, and humanitarian evacuees during their first few months in the United States as they transition from insecurity to a supportive, healthy new beginning. Our team welcomes them at the airport, helps them to find a home and a job, registers children for school, enrolls families in health plans, and helps newcomers navigate a new community.

Family Reunification

IINE addresses one of the continent's greatest challenges by reuniting unaccompanied children released from detention centers on the southern U.S border with family members or sponsors living in the United States. Based in Boston, this program is one of the largest of its kind in the region.

Immigrant Education and Workforce Preparation

Each year more than 1,500 immigrant adults enroll in our English for Speakers of Other Languages (ESOL), Skills Training classes, and employment programs. We offer specialized training programs that prepare people for jobs in the healthcare and construction industries.

Immigration Legal Services

For people seeking work authorization, permanent resident status, citizenship, humanitarian parole for loved ones, family reunification, and much more, we provide trustworthy and affordable legal services.

THE GOLDEN DOOR AWARD

The Golden Door Award has been an IINE tradition for 50 years. The honoree is of foreign birth and has made outstanding contributions to American society. It is an occasion that calls us to stand together in celebration of the achievements of new Americans who have played an integral role in our community, economy, and society.

The award takes its name from Emma Lazarus's words, which are inscribed at the base of the Statue of Liberty: "From her beacon hand glows world-wide welcome... I lift my lamp beside the golden door."
