OUR MISSION
The International Institute of New England (IINE) creates opportunities for refugees and immigrants to succeed through resettlement, education, career advancement and pathways to citizenship.

OUR HISTORY
Founded in 1918 in Lowell, Massachusetts as a community effort to welcome new Americans immigrating to the area, IINE today serves more than 4,000 refugees and immigrants annually, with programs in Boston, Lowell, and Manchester, NH.

OUR PROGRAMS

Refugee Resettlement
IINE welcomes newly arrived refugees and others who have experienced forced migration and supports individuals and families in creating a solid foundation for their life in the U.S. from which to build upon. Our teams help new Americans secure a home and a job, access healthcare, register and enroll in school, and navigate their new community.

Family Reunification
IINE addresses one of our hemisphere’s greatest challenges by reuniting unaccompanied children crossing the southern U.S. border with family members or sponsors living in the United States. Serving children as young as two years old, this program works intensely with children to find safety, support, and healing from traumatic experience.

Education and Workforce Preparation
Each year more than 1,500 immigrant adults enroll in our English for Speakers of Other Languages (ESOL), job readiness, and industry-specific skills training classes, and employment programs. We help adults find immediate employment and offer specialized training programs that prepare those with prior U.S. work experience to secure jobs in the healthcare and construction industries.

Immigration Legal Services
Nearly all our clients benefit from professional immigration legal advice and services. For people seeking work authorization, permanent resident status, citizenship, humanitarian parole for loved ones, family reunification, and much more, we provide trustworthy and affordable legal services.

THE GOLDEN DOOR AWARD
The Golden Door Award has been an IINE tradition for more than 50 years honoring a person of foreign birth that has made outstanding contributions to American society. Our annual gala is an occasion that calls us to stand together in celebration of the achievements of new Americans who have played an integral role in our communities, economy, and society.

The award takes its name from Emma Lazarus’s words inscribed at the base of the Statue of Liberty: “From her beacon hand glows world-wide welcome… I lift my lamp beside the golden door.”
