Centennial Golden
Door Award Gala

WEDNESDAY, JUNE 4TH, 2025

Omni Seaport Hotel Boston
450 Summer St. Boston MA

Registration begins 5:30 pm

The Golden Door Award Gala is a very special tradition at the International Institute of New England. The organization has been welcoming and resettling refugees and immigrants in the region for more than a century. Our Centennial Golden Door Award Gala will honor that history by bringing together past honorees and community partners for a very special celebration of a century of welcoming.

Golden Door Award | Our Centennial Year

The Golden Door Award has been an IINE tradition for more than 50 years honoring a person born outside the U.S. that has made outstanding contributions to American society. Our annual gala is an occasion that calls us to stand together in celebration of the achievements of immigrants who have played an integral role in our communities, economy, and society.

The award takes its name from Emma Lazarus's words inscribed at the base of the Statue of Liberty: "From her beacon hand glows world-wide welcome ... I lift my lamp beside the golden door."

Our Mission

The mission of the International Institute of New England is to create opportunities for refugees and immigrants to succeed through resettlement, education, career advancement, and pathways to citizenship.

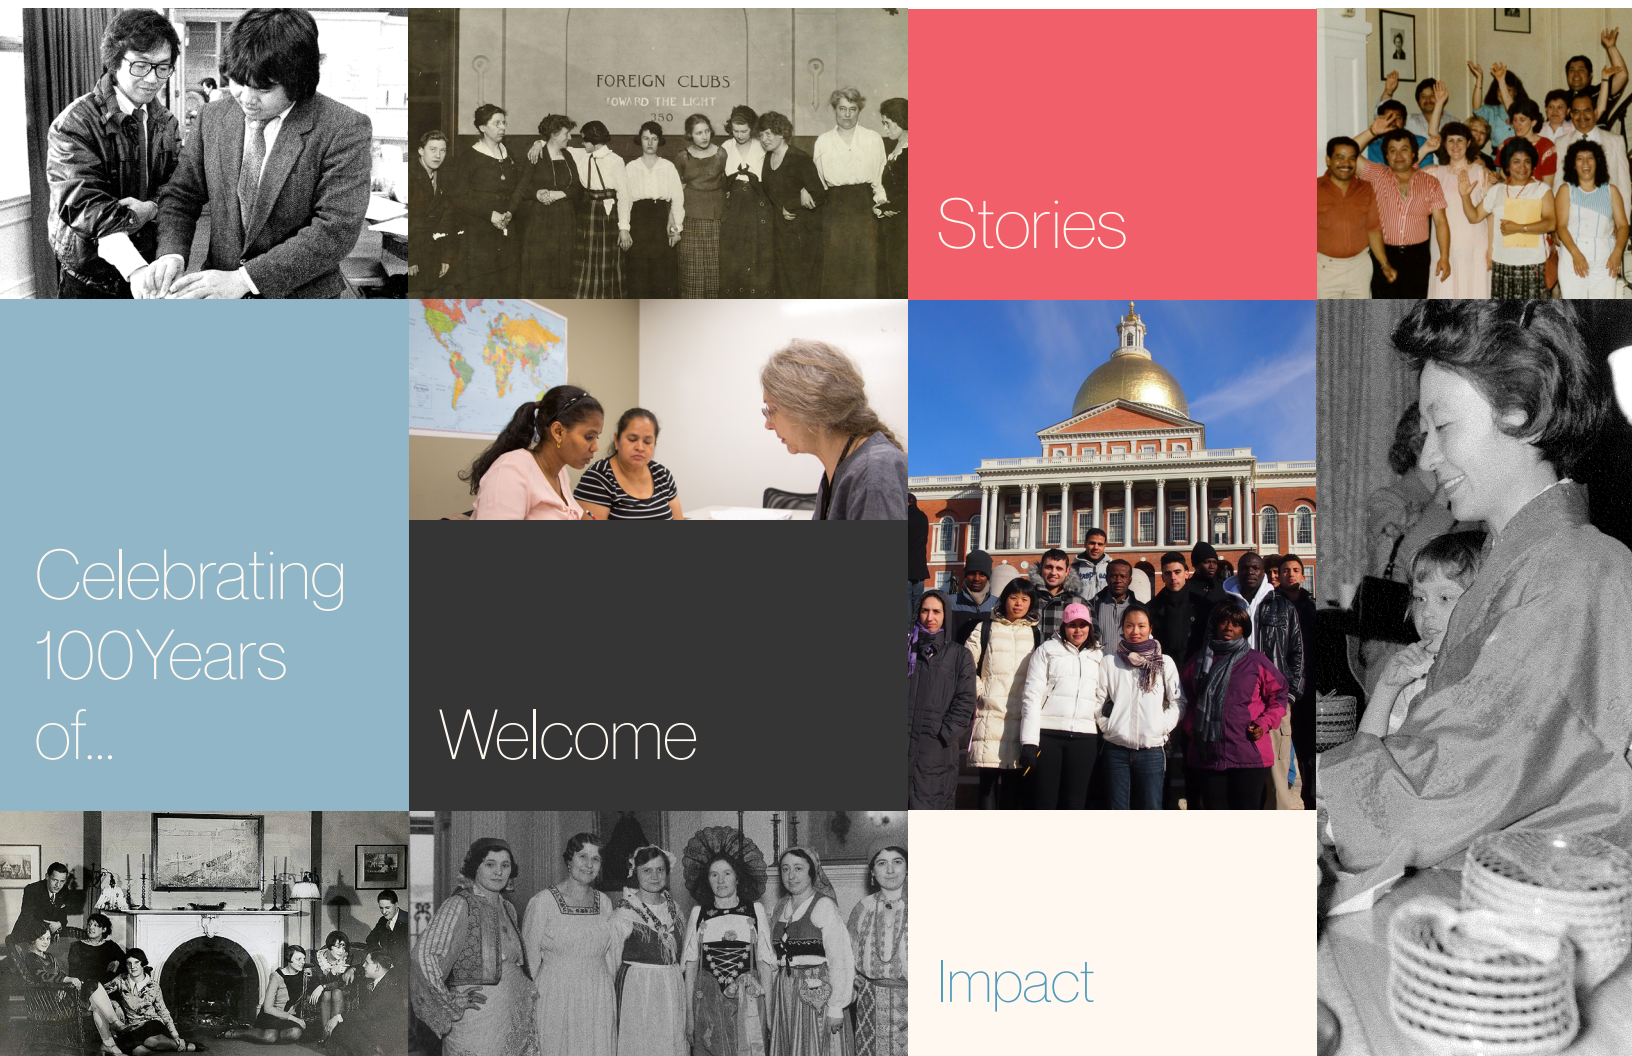

CRISIS RESPONSE

In August 2023, Massachusetts Governor Maura Healey declared a State of Emergency in response to the large influx of Haitian and Central and South American immigrants arriving in the Commonwealth and entering the overburdened shelter system. IINE has become a leader in supporting Haitian immigrants. Today, we are working directly with immigrant families in the shelters to ensure they are able to access public benefits, including food and healthcare, and apply for work authorization so they may secure jobs.

IMMIGRATION LEGAL SERVICES

Nearly all our clients benefit from professional immigration legal advice and services. For people seeking work authorization, permanent resident status, citizenship, humanitarian parole for loved ones, family reunification, and much more, we provide professional, compassionate, and affordable legal services.

Impact

Our History

Founded in 1918 in Lowell, Massachusetts as a community effort to welcome new Americans immigrating to the area, IINE today serves more than 10,000 refugees and immigrants annually, with programs in Boston, Lowell, and Manchester, New Hampshire.

EDUCATION AND WORKFORCE PREPARATION

In 2023, more than 800 immigrant adults enrolled in our English for Speakers of Other Languages (ESOL), job readiness, industry-specific skills training classes, and employment programs. We help adults find employment and offer specialized training programs to prepare those with prior U.S. work experience to secure jobs in the healthcare and construction industries.

REFUGEE RESETTLEMENT

IINE welcomes newly arrived refugees and others who have experience forced migration and supports individuals and families in creating a solid foundation for their life in the U.S. from which to build. Our teams work to help each new arrival secure a home and a job, access healthcare, register and enroll in school, and navigate a new community.
