IINE Advocacy Calls to Action

Fight the Travel Ban

Level: Federal

Branch: House and Senate

Call or Email Script

Subject: Fight the Travel Ban

My name is [Your Name], I live at [full address], and I can be reached at [phone number, email address].

I'm [calling/writing] to urge [Rep/Senator] [Last Name] to fight against the Trump Administration's cruel, pointless, and discriminatory travel ban and to urge you to take action to protect refugee and immigrant families.

Specifically, I'm asking you to:

- Publicly oppose the most recent travel ban and any executive action that bans entry based on religion, nationality, or ethnic background.
- Support legislation like the NO BAN Act, which restores checks and balances to the immigration system by limiting unchecked executive power under Section 212(f) of the INA.
- Use your oversight authority to investigate the impacts of any such bans and ensure transparency and accountability.

Travel bans rooted in discrimination separate families, block people in crisis, and undermine American values of fairness, due process, and equality.

Please do all you can to stand up against this cruelty today and going forward. Thank you.
